**TAPIF (Teaching Assistantship Program in France)**

<https://aascu.org/civic-global-engagement/global-initiatives/aascu-study-abroad-opportunity-teach-english-in-france/>

Graduating students who are American citizens or permanent residents may wish to apply for a position as an English-language teaching assistant in the French national education system. The American cohort is part of the larger *Assistants de langue en France* program, which recruits approximately 4,500 young educators from 60 countries to teach 15 languages annually in France.
