TAPIF (Teaching Assistantship Program in France)

<https://frenchhighereducation.org/teaching-assistant-program>

Graduating students who are American citizens or permanent residents may wish to apply for a position as an English-language teaching assistant in the French national education system. The American cohort is part of the larger *Assistants de langue en France* program, which recruits approximately 4,500 young educators from 60 countries to teach 15 languages annually in France.
